

### Aluminum Manual Nozzle with Digital Meter

- Adaptable to electric pump and gravity flow tanks
- Fluid type: diesel & kerosene
- Flow rate: 3-26GPM/10-100LPM
- Inlet: 1"
- Diameter of spout: 15/16"
- **Item No.: 18342001**

### Aluminum Manual Nozzle

- Adaptable to electric pump and gravity flow tanks
- Fluid type: diesel & kerosene
- Flow rate: 3-26GPM/10-100LPM
- Inlet: 1"
- Diameter of spout: 15/16"
- **Item No.: 18322001**

### Aluminum Manual Nozzle

- Adaptable to electric pump and gravity flow tanks
- Fluid type: diesel & kerosene
- Flow rate: 2-14LPM/8-50LPM
- Inlet: 3/4" & 1"
- Diameter of spout: 15/16"
- **Item No.: 18321001(3/4") / 18321002(1")**

### Automatic Shut-off Fuel Nozzle

- Used for gasoline and diesel fuel
- Plastic coated hand lever and retaining pumps
- Flow rate: 2-14GPM/8-50LPM
- Inlet: 3/4"
- Diameter of spout: 15/16"
- **Item No.: 18311002**

Hook is optional

### High Volume Automatic Nozzle

- High flow up to 26GPM/100LPM
- Three speed automatic latch
- Used for gasoline & diesel fuel
- Inlet: 1"
- Diameter of spout: 1-3/16"
- **Item No.: 18312002**

### Automatic Shut-off Nozzle

- Adaptable to electric pump and gravity flow tanks
- Flow rate: 2-14GPM/8-50LPM
- Hose swivel is included
- Inlet: 1"
- Diameter of spout: 15/16"
- **Item No.: 18312003**

### Stainless Steel Auto shut-off nozzle

- Stainless steel structure with Viton Seal
- Ideal for transferring AD blue & DEF
- Plastic coated hand lever and retaining pumps
- Flow Rate: 2-14GPM/8-50LPM
- Inlet: 3/4"
- Diameter of spout: 15/16"
- **Item No.: 18311008**
